##### Distribution of Constructions from Approved Building Permits by Municipality

##### TOTAL NUMBER OF CONSTRUCTIONS IN DAVAO DE ORO:

# 685

Construction statistics from approved building permits relate to administrative-based data on new constructions and additions, alterations and repairs of existing residential and non-residential buildings and other structures within Davao de Oro province.

Construction Statistics are compiled by the Philippine Statistics Authority (PSA) from the copies of original application forms of approved building permits as well as from the demolition and fencing permits collected every month by PSA field personnel from the Offices of Local Building Officials (LBOs) nationwide.
