

REGISTERED LIVE BIRTHS IN MACO: 2023

Data on births presented in this release were obtained from the timely and late registered births at the Office of the City/Municipal Civil Registrars all throughout the country and submitted to the Office of the Civil Registrar General through the Philippine Statistics Authority (PSA) - Provincial Statistical Offices (PSOs). The information presented includes births that occurred from January to December 2023 based on data files received by the PSA - Civil Registration Service (CRS) from the PSOs and processed as of 31 August 2024. Figures presented herein are not adjusted for under registration. This release includes births of Filipinos whose usual residence is abroad and births of foreign nationals that occurred in the country during the reference period. Births of Filipinos abroad which were reported to the Philippine Foreign Service Posts are presented in a separate report.
