Moreover, in the first quarter of this year, among the 11 municipalities of Davao de Oro, four (4) municipalities recorded above-par registration coverage to the province, namely, Laak, Mabini, Montevista, and Nabunturan. On the other hand, Compostela, Monkayo, and Pantukan posted the highest number of unregistered individuals to the National ID System. (Tables 1 and 2)

**Table 2. Number of Unregistered Individuals by Municipality¹:
Davao de Oro, 2021 – 2025**

Municipality	Running Count as of 31 Mar 2025	2020 CPH	Percentage Covered	Unregistered Count
Davao De Oro	693,935	767,547	90.4%	73,612
Compostela	76,010	89,884	84.6%	13,874
Laak	72,504	79,744	90.9%	7,240

New Bataan	42,918	51,466	83.4%	8,548
Pantukan	80,702	90,786	88.9%	10,084

Note: Unregistered Counts per municipality are estimates only as some National ID Registrants may come from neighboring or other city/municipality.

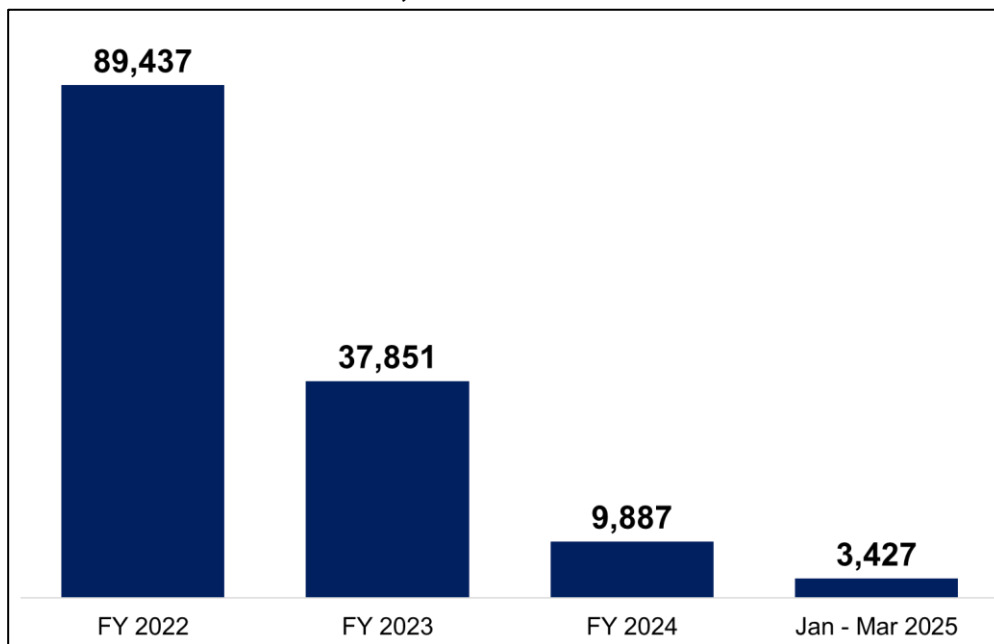

¹ The unregistered count excludes the number of births that occur on 01 May 2020 onwards, hence, the figures reflected may exceed the actual unregistered individuals in each municipality. Specific to Nabunturan, and Montevista, unregistered count is not captured based on the 2020 CPH but on actual operations, there are still individuals for registration to National ID.

More than 140,000 individuals received their National ID in Paper copy

The issuance of National ID in Paper, is a proactive strategy of the Philippine Statistics Authority (PSA) that allows registrants to immediately enjoy the benefits of being National ID-registered. Since its launching last October 2022, a total of 140,602 National ID in Paper have been issued to registered individuals in Davao de Oro. This is 81.7 percent of the 172,000 National ID in Paper targeted to be delivered in the province. (Figure 2 and Table 3)

Features of this National ID in Paper contain the person’s PhilSys Card Number (PCN) and basic demographic information together with the QR code that is used for its authentication. Meanwhile, this has the same functionality and validity as the physical card.

**Figure 2. Number of Issued National ID in Paper:
Davao de Oro, October 2022 to March 2025**

Looking into the per municipality issuances of National ID in Paper, Nabunturan (23,268) recorded the highest number of deliveries followed by Monkayo (16,029) and Compostela (15,721). On the other hand, Mawab (7,494), Montevista (8,399), and Mabini (8,893) posted the lowest National ID in Paper issuances in the province. (Table 3)

Before, the generation of National ID in Paper has been centralized in the PhilSys Registry Office (PRO), also known as Mode 2 issuance, but then recently, the PRT has been advised to do daily uploading of registered data packets so that they can generate at their respective field offices and registration centers (known as Mode 1 issuance). In this way, the issuance to registered individuals will be fast-tracked. At present, real-time issuance has been implemented, allowing clients to receive their National ID in Paper immediately after registration to the National ID.

99.98 percent delivered vs received National IDs

In the implementation of National ID, PSA is tasked with its registration while Bangko Sentral ng Pilipinas (BSP) will facilitate the printing of the physical card and the Philippine Postal Corporation (PHLPost) will deliver the physical cards to the registered individuals.

Based on the delivery updates of PHLPost shared with the PRO, BSP has dispatched a total of 518,660 PhilIDs to the Postal Areas in Davao de Oro. Of these received PhilIDs from BSP, 99.98 percent or 518,549 were delivered by the local postmasters of the province to the registered individuals. (Table 4)

Over 900 replacement National IDs successfully delivered

PSA continues its initiative to replace damaged National IDs, ensuring that affected registrants are issued their corresponding replacement cards.

As of 31 March 2025, PSA Davao de Oro has processed a total of 1,773 reported cases of damaged National IDs for replacement. Of these, 1,100 replacement PhilIDs have been received by the Provincial Statistical Office (PSO) with 950 already claimed by the card owners. Meanwhile, 150 National IDs are still set for delivery.

Davao de Oro PSO remains committed to ensuring the smooth replacement of damaged National ID. With over 900 successfully delivered and more underway, the initiative continues to provide registrants with their updated identification cards efficiently.

Technical Notes

National ID System refers to the government's central identification platform for all Filipino citizens and resident aliens of the Philippines.

National ID Step 2 Registration is the validation of supporting documents and collection of biometric information such as iris scan, fingerprints, and front-facing photographs.

National ID (previously known as PhilID) refers to the physical ID card that serves as a valid proof of identity that can be used to transact with the government and the private sector. The is a non-transferable card that contains a registrant's demographic and biometric information such as full name, birth date, address, front-facing photograph, and the PhilSys Card Number or PCN. This is issued upon successful registration to the PhilSys.

National ID in Paper (previously known as ePhilID) is the digital copy of the National ID and has the same functionality and validity as the physical card. It is a proactive strategy of the PSA that will allow more Filipinos to immediately enjoy the benefits of being PhilSys-registered.
