7S Briefing
Date : 31 January 2025

This initiative forms part of the PSA Systems Quality Management System (QMS) and aims to enhance workplace efficiency, productivity, and employee engagement. Participants of the briefing include the PSO-Davao del Norte staff and personnel involved in the ongoing 2024 Census of Population and Community-Based Monitoring System (POPCEN-CBMS) data processing. They serve as the PSA's primary external clients, playing a vital role in ensuring quality statistical products and services.

Participants were introduced to the 7S principles—Sort, Set in Order, Shine, Standardize, Sustain, Safety, and Spirit—with speakers emphasizing their role in streamlining processes and fostering a productive work environment.

Through this activity, PSO-Davao del Norte reaffirmed its commitment to continuous QMS improvement, with participants eager to apply 7S principles to enhance service delivery and operational excellence.
