NATIONAL ID REGISTRATION: PSA DAVAO DEL SUR BRIDGES SITIO PEGALONGAN, AIDING THE MATIG-SALUG TRIBE

PSA Davao del Sur Personnel's Journey to Register the Matig-Salug Tribe

On February 19-21, 2025, the Philippine Statistics Authority (PSA) Davao del Sur Provincial Statistical Office conducted a National ID Registration in Sitio Pegalongan, Marilog District, Davao City. In partnership with the City Civil Registration Office (CCRO) and Indigenous People Civil Registration System (IPCRS), the initiative focused on registering members of the Matig-Salug Tribe and addressing late birth registrations. For the national ID registration, the PSA personnel were able to register 71 individuals, including infants and children.

This activity is a part of the PSA's nationwide efforts to provide every Filipino, regardless of their location, with a National ID. The National ID is an essential tool for improving government services, ensuring better access to social programs, and providing a more efficient system of identification for Filipinos across the country.

STRENGTHENING CIVIL REGISTRATION : PSA DAVAO DEL SUR TURNS OVERS FREE BIRTH CERTIFICATES IN HAGONUY, DAVAO DEL SUR

In collaboration with the Municipal Local Civil Registry Office (LCRO), the PSA – Davao del Sur Provincial Statistical Office spearheaded the ceremonial turnover of Certificates of Live Birth (COLB) on Security Paper (SecPa) to beneficiaries of the Birth Registration Assistance Project (BRAP). The event took place on February 18, 2025, at Barangay Guihing, Hagonoy, Davao del Sur.

(SSS) Officer-in-Charge Adeline G. Batucan led the distribution of free birth certificates, joined by Brgy. Guihing Representative Kagawad Remdencio Sardillo and Municipal Civil Registrar Pureza S. Cabardo.

A total of eighteen (18) beneficiaries from Brgy. Guihing received their birth certificates during the event. The recipients expressed profound gratitude for BRAP, recognizing its significant role in facilitating essential transactions that require proof of birth. Their appreciation highlights the critical importance and far-reaching impact of BRAP's efforts in ensuring access to fundamental civil registration services for the community.

PSA DAVAO DEL SUR TRAINS PERSONNEL FOR EFFICIENT NICTHS DATA PROCESSING

PSA Davao del Sur conducted the Third Level Training on Data Processing for the 2023 National Information Communications and Technology Household Survey (NICTHS) from February 4 to 6, 2025, at PSA Davao del Sur Provincial Statistical Office, Davao City.

SA Maturan on the Overview, Roles, and Responsibilities of Personnel

The training equipped the hired data processors with essential technical skills in data validation, completeness checks, and consistency checks for clean files using the Data Processing System (DPS) developed by the Information Technology and Dissemination Service (ITDS).

The Data Processing of the 2023 NICTHS was set from February 10 to 25, 2025. It was successfully completed and submitted the clean data files to the Regional Statistical Services Office for further data review.

The 2023 NICTHS will provide crucial data on ICT access and usage in Filipino households, supporting policy formulation and digital inclusion efforts.

PROVINCIAL-LEVEL TRAINING IGNITES 2024 POPCEN-CBMS GEOTAGGING INITIATIVE FOR SERVICE FACILITIES AND GOVERNMENT PROJECTS

The PSA Davao del Sur Provincial Statistical Office hosted a successful Provincial-Level Training for the 2024 POPCEN-CBMS Geotagging of Service Facilities and Government Projects from February 24-27, 2025, at The World Palace Hotel, Davao City. The training, attended by a total of twenty-three (23) participants, aimed to improve geotagging accuracy for better planning and resource allocation across the province.

The four-day training combined theoretical lessons on geotagging and GIS with hands-on training in tablet-based data collection using QField and QGIS map generation.

With the successful completion of the training, participants were equipped with essential geotagging skills and ready to perform their tasks in the field.
