## COMMITMENT TO ENHANCE PUBLIC SERVICE: PSA DAVAO DEL SUR INAUGURATES NEW OFFICE SPACE

(CSS) OIC Gales and (SSS) OIC Batucan lead the ribbon-cutting ceremony with the parish priest.

PSA Davao del Sur Provincial Statistical Office officially inaugurated its additional office space located on the 2<sup>nd</sup> Floor of JM Agro Building, Gov. Sales St., Davao City on 19 May 2025 (Monday). With the inauguration of its additional office space, the agency reaffirms its dedication to excellence in public service, embracing innovation, collaboration, and transparency as it continues to serve the Filipino people with integrity and purpose.

During the program, (Supervising Statistical Specialist) Officer-in-Charge Adeline G. Batucan congratulated the office's personnel and employees for their commitment and collaborated efforts to champion this new milestone. She highlighted that this development will be the backbone of providing more relevant and timely statistics, efficient civil registration, and better PhilSys services. A message of support was also delivered by (Chief Statistical Specialist) Officer-in-Charge of PSA Regional Statistical Services Office XI (RSSO XI) Randolph Anthony B. Gales, where he highlighted the value of investing in a conducive and future-ready workplace. He also accentuated that the new office space is not merely a place of work—it stands as a testament to what can be accomplished through collective purpose and determination.

### National ID Services During the Grand Ease of Doing Business Fair of Anti-Red Tape Authority XI

On 29 May 2025, PSA Davao del Sur Provincial Statistical Office participated in the Grand Ease of Doing Business Fair organized by the Anti-Red Tape Authority (ARTA) at NCCC Mall Victoria Plaza, Davao City, Davao del Sur.

In support of the initiative, Registration Kit Operators (RKO) of PSA Davao del Sur, namely: Edelyn Marie Eco and Lance Omandac were deployed to deliver National ID registration services and National ID printed copy issuance. The activity served numerous walk-in clients, contributing to ARTA's goal of bringing frontline services closer to the people in a more efficient and citizen-friendly environment.

A total of 18 individuals were successfully registered in the National ID System during the activity.

## Conduct of Field Visit to Breeding Stocks and Orchard Development in Establishments and Households

As part of the activities for the upcoming Overall Revision and Rebasing of the Philippine System of National Accounts (PSNA), the PSA Central Office (CO), RSSO XI, and Davao del Sur Provincial Statistical Office (PSO) successfully conducted a field visit on Breeding Stocks and Orchard Development in Establishments and Households on 21 to 23 May 2025 in province of Davao del Sur and Davao City. The objective of the visit was to gather essential information and technical parameters relevant to the livestock, poultry, agriculture, and environmental sectors, which are critical inputs to the compilation of the PSNA.

During the visit, the team conducted interviews with operators of a poultry farm in Digos City and a game fowl farm in Matanao, Davao del Sur. Further, they also interviewed households who engaged in breeding stock farming in Hagonoy, as well as in selected establishments in Matanao.

The field visit activity was successfully completed with the required number of farm operators from the province of Davao del Sur having been interviewed. The cooperation of the respondents and the collaborative efforts of personnel from PSA Central Office, RSSO XI, and Davao del Sur PSO contributed to the smooth conduct of the interviews and data collection, ensuring the quality and relevance of the gathered inputs for the PSNA.

## PSA Davao del Sur Successfully Completes the 2024 POPCEN-CBMS Data Validation

As of 31 May 2025, PSA Davao del Sur has successfully completed the data validation phase of the 2024 Census of Population and Community-Based Monitoring System (POPCEN-CBMS) for both Davao del Sur Province and Davao City.

This phase included the generation and submission of certification passes, which signify clean and validated data files for both areas. However, only Davao del Sur Province has completed the map data validation and uploading of validated enumeration areas. This step is still ongoing for the City of Davao.

The data validation work was carried out by a team of thirty-six (36) personnel in total, consisting of two (2) supervisors, twenty-five (25) data processors, nine (9) map data processors, and three (3) administrative clerks.

The next phase of the project will focus on finalizing the map data validation for City of Davao. It will also involve the review and deletion of household members who were double counted, with the PSA Central Office determining their correct province for retention.
