## PSA Region XI Achieves Milestone in National ID Registrations

**Date of Release:** 30 October 2024

**Reference No.** PR-24RSSO11-023

The Philippine Statistics Authority (PSA) Region XI is thrilled to announce a significant achievement in the ongoing implementation of the National ID system. As of 30 June 2024, 4,519,652 individuals have registered, representing 97% of the target of 4.66 million registrations. This highlights PSA's unwavering commitment to establishing a secure and comprehensive identification system for all Filipinos.

The National ID system is designed to minimize the risks of identity fraud and enhance security and convenience for registered persons across the nation. To date, over 3,019,926 National ID cards have been delivered, with an additional 2,030,176 National IDs in paper form issued.

Here are the registration accomplishments in the Davao Region:

Province	Total Registrations	Percentage to Target
Davao del Norte	995,881	100.2%
Davao del Oro	666,765	97.2%
Davao de Occidental	274,525	96.3%
Davao Oriental	483,871	96.2%
Davao del Sur	2,098,610	95.8%

These achievements are the result of the hard work of dedicated Local Government Units, government and private organizations, and dedicated registration personnel. The PSA encourages all Filipinos to participate in the National ID system, which offers a wide range of benefits beyond mere identification. By registering, individuals gained enhanced access to government services, simplifying processes related to

healthcare, social welfare programs, and educational support. Additionally, the National ID system promotes financial inclusion, allowing citizens to open bank accounts, access credit, and engage more easily in the formal economy.

This initiative represents a significant step forward for the nation, providing tangible benefits to citizens and contributing to a stronger, more inclusive future for all. The PSA remains committed to expanding outreach efforts to ensure that every Filipino can enjoy the advantages of this vital program.
