## PSA RSSO XI Promotes National ID Integration for Secure Healthcare Services

**Date of Release:** 09 May 2025

**Reference No.** PR-25RSSO11-010

The Philippine Statistics Authority Regional Statistical Services Office XI (PSA RSSO XI) recently conducted an Information, Education, and Communication (IEC) Campaign during the Private Hospitals Association of the Philippines, Inc. (PHAPi) Regional Management Seminar at Acacia Hotel, Davao City, on 25 April 2025.

Registration Officer III Getto Pangandoyon led the session, emphasizing the benefits of the National ID system for healthcare institutions, including secure identity verification, reduced fraud, and improved patient safety. He also outlined the onboarding process for hospitals seeking to integrate the National ID System into their operations, highlighting its role in enhancing service efficiency. This integration is seen as a crucial step toward advancing healthcare systems through the use of National ID Authentication Services.

For inquiries, interested healthcare institutions in Region XI may contact PSA RSSO XI or the Financial and Private Sector Use Cases Division through the following:
