PRESS RELEASE

CSS Madulin delivering his welcome remarks

ISA I Argel Ryan C. Jayo (from RSSO-SOCD XI) and COSW-SS II Fiel Melan C. Bulaong (from PSO-Davao Oriental) serve as trainers during the activity

CSS Madulin welcomed and thanked everyone for attending the training. He also shared in his remarks that this activity marks the start of various activities that the office will be conducting for the CBMS.

The training aims to teach the participants on the proper filling up of the barangay profile questionnaire and city/municipal data sheet. The barangay profile questionnaire aims to gather data on service institutions and infrastructures present in the barangay, availability and use of ICT tools, disaster risk reduction and management plan and programs, recorded crimes, annual budget for the last three years, and projects and activities in the past year based on Annual Investment Plan. Meanwhile, the city/municipal LGU data sheet collects information on the infrastructure and non-infrastructure government projects, specifically on the project name or title, budget
