Reference No.: PR-1125-2024-12

City of Mati, Davao Oriental- The first day of October marks the opening of the month-long celebration of the 35th National Statistics Month in the Philippines. PSA Davao Oriental together with its partner agencies, along with other participants commemorated the opening with a huge impact, highlighting the role of technology in advancing the statistical system and the quality of statistics through the adoption of digital tools and platforms optimizing government services to improve the accuracy, timeliness, and accessibility of statistics.

Senior Statistical Specialist Fe T. Antipuesto together with the representative from the DICT Assistant Provincial Officer Dionisio Tampos Sr., and Planning Officer IV of the PPDO Ms. Alona B. Celoso. Faculty and Students from the Davao Oriental State University joined the opening program.

The National Statistics Month Celebration, an annual event, is organized by the Philippine Statistics Authority (PSA), in collaboration with various government agencies, academic institutions, and statistical professionals across the nation. This year's theme, "Advancing Data and Statistics Through Digital Transformation: A Road to an Empowered Nation," promotes the importance of embracing digital tools and innovation to drive progress and sustainable development.

The opening ceremony, held on 01 October 2024 at the Ground Floor of the PSA Provincial Office, City of Mati, Davao Oriental featured distinguished speakers from the Provincial Planning Office and the Department of Information and Communication Technology (DICT)
