Pursuant to DO 24, s. 2008 or the Institutionalizing of Brigada Eskwela Program, all public schools are directed to “engage all stakeholders to contribute their time, efforts and resources in ensuring that public schools are all set in time for class opening.”

Relative thereto, the PSA Davao del Norte Provincial Statistical Office (DavNor PSO) headed by Chief Statistical Specialist (CSS) Pepito D. Amoyen has been invited by the Asuncion National High School to Brigada Eskwela on 15 August 2022.

The request of the National High School on services on PhilID, listing of unregistered for inclusion into PhilSys Birth Registration Project (PBRAP), and concerns on civil registry documents were granted by the CSS, in line with the PSA mandates.

As part of the committed services, PSA DavNor PSO sent its PhilSys Mobile Registration Team (PMRT) composed of one (1) Registration Kit Operator and one (1) Screener.

Considering that perchance students are still unregistered, the PBRAP Coordinator also joined the activity.

Moreover, Registration Officer I (RO I) Dorothy Jan F. Maghanoy took her part on answering queries on civil registration documents.

On statistical services of PSA DavNor PSO, survey results and infographics hand-outs were circulated during the activity.

As a result, DavNor PSO pave the way for harnessing ties to public institutions, as well as its stakeholders.
