Snapshots from the Tree Planting Activity of LGU Nabunturan in celebration of the 4th Municipal Environment Day.

23 June 2023 – NABUNTURAN. The Philippine Statistics Authority (PSA) Davao de Oro participated in the 4th Municipal Environment Day of the Local Government Unit (LGU) of Nabunturan spearheaded by Municipal Mayor Myrocel Clarin-Balili. The said activity is in line with the celebration of the 2023 Philippine Environment Month, with a theme: “Environment for Life”. A total of 207 seedlings of Lawaan, Banaba, and Salingbobog were planted along the national highway in Poblacion, Nabunturan.

PSA Davao de Oro personnel joined the simultaneous tree planting activity under the Nabunturan Greenbelt Program, together with the personnel from the Employee's Union of the Department of Public Works and Highways (DPWH) Davao de Oro 1st District, Nabunturan Native Tree Enthusiasts (NNTTE), Nabunturan Fire Station, and Northern Davao Electric Cooperative (NORDECO).

The goal of the activity is to remind the constituents of the municipality to attend to the global challenges currently experienced such as climate change, pollution, and loss of biodiversity, among others. This is also an initiative of the local government to maintain a healthy and comfortable environment that still benefited the municipality. The huge effort will help raise awareness among the public on the importance of planting and saving trees, expressing concern for the environment, and minimizing the unfavorable effects of climate change.

The PSA is committed to strengthening its partnership and extending its services to the community in achieving the goals for a comfortable and sustainable life.

For more information on the participation of PSA Davao de Oro in the 4th Municipal Environment Day of LGU Nabunturan, please contact PSA Davao de Oro with telephone numbers (084) 817-0347 and email address davaodeoro@psa.gov.ph.
