## Technical Notes

The **Census of Agriculture and Fisheries (CAF)** is a large-scale government undertaking, geared towards the collection and compilation of basic information on the agriculture and fishery sectors in the Philippines.

**Tenure Status of the Parcel** - is the right under which a parcel is held or operated. A farm may be operated under a single form of tenure or under more than one form, in which case, each form of tenure must be reported separately by parcel.

- **Fully owned** – a land operated with a title of ownership in the name of the holder and consequently the right to determine the nature and extent of the use of the land.
- **Owner-like possession** – a land under conditions that enable a person to operate it as if he/she is the owner although he/she does not possess a document as proof of title of ownership.
